The Need of the Hour

By DR. BERTHOLD A. BAER. There have always been and ever will be men of superior knowledge and daring; it takes only the Need of the Hour to

bring them to our attention.

There are thousands in this city of ours who had never There are thousands in this city of ours who had never visited The Funeral Church, Broadway at 66th Strest, until the Need of the Hour compelled them to do so.

A funeral sorvice conducted by Mr. Frank E. Campbell, either at the home of the demised or at The Funeral Church, is a service of love, consolation, beauty and sympathy.

Do not wait until the Need of the Hour compels you to call. Come to The Funeral Church to-day; you will find nothing but what is uplifting, beautiful, impressive, dedicated to the living in honor of their beloved departed.

The Evening World's Kiddie Klub Korner

= Conducted by Eleanor Schorer =

What is he? It's not very big that he grows,

As you see. But whatever he lacks In his height the addax Makes up in the length of his toes. Funny sight.
I did not know that there were such

things.
Honor bright.
Yet it's perfectly true
As you would see if you
Could but visit the land where he
"sings."

Letters From Kiddies.

I thank you very much for sending it so soon.

I am glad that you mentioned the rules of the Klub, as I am not familiair with them. Yes, I am glad of one thing—that I still have my certificate and Klub pin, which I never fail to wear. In school I wear it as a scarf pin, pinned to my tle. On Sunday I wear it on my suit. I certainly feel proud to wear my Klub pin.

Your loyal Cousin, ABRAHAM ROSENZWEIG, aged 14, New York City.

I thank you very much for sending it so soon.

Loyally yours, MOLLIE ROSEN, Coney Island, N. Y.

DEAR Cousin Eleanor: I received your letter and membership to the Kiddie Klub and am very thankful for same.

I have always wanted to be a member, but never came in contact with the

Tarzan the Untamed Edgar Rice Burroughs

A New; Thrilling and Sensational Story of the Ape Man.

The Evening World on Tuesday, June 15, began the publication of "Tarzan the Untamed," a thrilling piece of fiction. Here is a synopsis of the preceding chapters:

GERMAN ARMY officer, Fritz Schneider, with his Lieutenant,

you Goss, are marching through the African jungle with an army of black soldiers. They intend to invade what is known as British East Africa. They descend upon the home of Lord Greystoke, an English nobleman, who is none other than Tarzan of the Apes. The people of that section are not aware that a state of war exists between England and Germany. Meanwhile Lord Greystoke returns from his trip across the jungle and learns of the war. He hastens to his home, only to see it razed, and finds his family charred beyond recognition. He is able to identify his wife by the rings on her fingers. He swears revenge and strips himself almost naked and once more becomes Tarzan of the Apes. Heartbroken, he starts out in pursuit of the Prussian vultures. Tarzan meets with many dangers, the most thrilling of which is an encounter with a massive lion. He finally escapes after a terrific struggle and succeeds in trapping the lion in his lair. Resuming his journey, he discovers the German camp and captures the leader, Schneider. He takes his prisoner to the jungle. The German realizes Tarzan means to feed him to the lion he trapped in the cave. Schneider is placed within easy reach of the savage beast at the mouth of the cave, while Tarzan continues on his way to the trenches. He succeeds in killing a spiper, which carps for him the command of a machine gun against the enemy. Before his position is discovered his bullets are responsible for many German fatalities. Fleeing to the British camp, Tarzan is welcomed and volunteers his services. While returning to the German lines he decides to pay a visit to the cave of Numa, the iion and lures the beast out of its cave. After many trials he finally tames the iion, making him absolutely harmless. He then turns back to the English lines with his captive. The men there are perplexed at this strange pair. The chief officer asks Tarzan if he still thinks he can empty the German trench opposite them,
